FOOTBALL PROGRAM MESSAGE
FROM THE SUPERINTENDENT

SUPERINTENDENT OF SCHOOLS
CHARLES A. McLAUGHLIN

TO A WINNING ORGANIZATION

1974-75 will rank as one of the most memorable among the twenty-one seasons I have been associated with high school athletics. Why? Because this year I became a Cougar. In doing so, I know that my loyalty is pledged to a winner. To me, winning in high school sports is not only the posting of a final score in the victory column, of which Springfield surely will gain its share. But the sign of a real winner is the school district with an inter-scholastic program that fulfills the goals of the hundreds of young men and women who participate. That the Springfield School District provides and supports such an outstanding athletic program for its students, is a compliment to all school personnel and our community. I am proud to be associated with this type of winning organization.

Charles A. McLoughlin
Superintendent of Schools

SPRINGFIELD FOOTBALL VARSITY COACHING STAFF
L to R - Head Coach Bill Mackrides, Harry "Ace" Bell (Interior Line), Rick Taylor (Defensive Backfield), Les Landau (Ends), George Ege (Backfield).

1974 VARSITY FOOTBALL TRI-CAPTAINS
L to R - Brian Mackrides, Myran Lackley, Stephen Kelly

EARL KNORR
Principal
Springfield High School

At no other time is a student graded so severely as he is when he is participating in inter-scholastic athletics. He must not only meet the stringent requirements of the coach ... he periodically has judgment passed on him by parents, students, and other spectators. He is not judged on his performance related to his abilities, but on his performance compared with other athletes.

The boys you watch on the football field today, (and all our other athletes) are worthy of your respect, for they must take and score well on a difficult test each week.

WRESTLING COACH
BOB FATSCHER

SPRINGFIELD WRESTLING

1974 - 1975

Coach Fatscher reports that real progress is being made on the rebuilding of Springfield's wrestling image. The development of a Grappler's Club is rekindling the spirit which carried the Cougars to great heights in past years. There is every expectation of improving on last year's 7 - 5 record — particularly as so many of last year's meets were close enough to generate a winning attitude. The schedule has been improved by the addition of West Chester and last year's Suburban 2-3 champs, Sun Valley. The infusion of new talent from Coach Dave Frick's Championship Junior High Club should be a real asset and challenge to the returnees from last year's varsity — some of whom are pictured here.

The Junior Wrestling Program will begin again in January for the elementary school students. This program is sponsored by the Springfield Athletic Association and helps to develop enthusiasm, interest and skills in our prospects at an early age.

We regret that at press time, photographs were not available of other members of last year's team — specifically Ted Barasatian (132), Ray Pope (119), and Manager Mark Nelson.

Some Other Sports In Review

by Paula Petrie

Girls' Basketball

After competing all summer in a girl's summer league, the 1974-1975 team looks toward the upcoming season with enthusiasm. Although the team did not do exceptionally well this summer, (vacations hurt the attendance), the practice gave the girls a head start on the new season. Returning from last year's varsity will be senior Paula Petrie and junior Kay Long. Strong support will come from seniors Carol Zippi, Nancy Ozer and Cindy Laub. The team this year looks to be tall, fast, aggressive and in search of a Central League Championship.

Boys' Basketball

This year's varsity will have only three returning from last year's Championship squad. Brian Mackrides, Bill Miller and Mike Margulies will look for someone to replace All American Dave Batten — so this year's team will rely heavily on upcoming junior varsity players. While they may be lacking in the height department, they'll look to the old Springfield hustle and determination to carry them through.

Girls' Hockey

How do you top an undefeated, untied and unscored-upon season? It is not an easy task but this year's team promises to do their best to make a repeat performance! Returning from last year's varsity are Carol Zippi, Jenny Watt, Paula Petrie, Cindy Petruzzelli and Cindy Ventriglia. This year's defense will be led by Jenny, Paula, Nancy and Carol. The offense will see returning last year's high scorer Cindy Petruzzelli who, with Cindy Ventriglia, will lead the attack. With every team in the Central League out to beat Springfield, the season looks to be very exciting — especially with the chance to go all the way to a State Championship.

Boys' Baseball

Here again, the incoming varsity team will have a tough row to hoe in following a League Champion! The team, hard hit by graduations, will see only five returnees from the great 1974 Club — which swept through the Central League. They are Brian Mackrides, Mike Scioscia, John Arty, Steve Rosser and Dennis LeVasseur. Since dedication and hard work has always been the hallmark of Springfield Baseball, we can look for a good season and, perhaps, a little surprise for the rest of the league — which is hungering to "get even".

Girls' Lacrosse

In Lacrosse, our girls must work twice as hard to make up for that extra year of experience that other teams in the Central League are able to acquire. With their programs starting a year earlier, those early skills put us in the position of playing catch-up. Even so, last year's team placed third. Returning this year will be seniors Nancy Ozer, Karen Payne, Paula Petrie, Jenny Watt, Carol Zippi, Pam Loeb, and juniors Gina Costalas, Cindy Ventriglia, Barb Klatt, Kay Long, Kim Crossley and Barb Walsh. With so many returning, this looks to be a good year for the team.

Tour The Franklin Mint and The Franklin Mint Museum.

. . . see a world you've never seen before!

History, art and beauty come to life in sight and sound on a two hour Franklin Mint Tour. Because we mint more than medals. We mint works of art inspired by James Wyeth and Norman Rockwell, by Rembrandt and Michelangelo. We mint the excitement of an African Safari and the exhilaration of soaring birds. We mint America's revolution and its spirit of greatness. We mint masterpieces and moments in history, and transform them into enduring silver medals. Brilliant. Irresistibly beautiful. Works of art in their own right.

During your tour of the world's largest private mint, you'll see our museum with its Hall of Presidents, Gallery of Great Americans and its Shakespearean Corner.

You'll look inside the process of minting itself. See how bricks of silver are transformed into medals and ingots and plates and spoons. And for a magnificent finale, you'll experience a Slide and Sound Show that makes you feel like you're seeing and living and feeling history and art as it happened. If you're six years old . . . or if you're past sixty, come see The Franklin Mint.

It's an educational experience. It's an invaluable experience. It's fun. And it's free.
